Our Mission: Raise Funds for Feeding America's COVID-19 Response Fund

Join Produce for Kids and help [Stock the Food Pantries](#) to help feed families in need due to the COVID-19 pandemic.

Overview

- Feeding America®, the nation's largest domestic hunger-relief organization, is estimating the need for an additional \$1.4 billion in resources over the next six months.
- Feeding America estimates COVID-19 related issues have led to a 30% increase to the baseline six-month operating cost for its 200 member food banks in the U.S.
- Stock the Food Pantries is a source to funnel donations direct to the Response Fund from April 16 to July 31.
- 100% of all donations will go directly to the [COVID-19 Response Fund](#).

COVID-19 Response Fund

Donations collected for response fund will go towards:

- Building an inventory of emergency food boxes and distributing them to member food banks across the country.
- Providing emergency funding to food banks facing food and volunteer shortages.
- Overall support of food, funds and flexibility for federal nutrition programs.

Added Benefits

- Donor logos included on Stock The Food Pantries website
- Brand recognition
- E-newsletter support
- Social media support
- Press materials inclusion

17.1 million

the estimated additional people who will experience food insecurity due to COVID-19 safety measures this year

[Watch Now: A Message About Stock the Food Pantries](#)

\$1.4 billion

in additional resources will be needed over the next six months to provide enough food to neighbors facing hunger.

17.1 million

the estimated additional people who will experience food insecurity due to COVID-19 safety measures this year

41%

of food banks reported an immediate critical funding shortfall within a week of CDC guidelines on social distancing
